Ms. Christine Driscoll
Director, Regulatory Affairs
New York Blood Center
1200 Prospect Avenue
Westbury, NY 11590

Dear Ms. Driscoll,

This letter is to confirm the current accreditation status of the New York Blood Center. Your organization is currently in good standing with the AABB and working through the re-accreditation process. Your current Certificate of Accreditation is valid for: Donor Center Activities, Immunohematology Reference Lab Activities, Molecular Testing Activities, Perioperative Activities, and Transfusion Activities. **Your facility remains accredited by AABB.** A new Certificate of Accreditation will be issued upon completion of the accreditation process.

If you have any questions or concerns, please contact the Accreditation Department at 301-215-6492 or by e-mail at accreditation@aabb.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie A. Sloan', is written over a horizontal line.
